## RESPONSIBILITIES

### The Responsibilities of Staff

Our staff will:

- Foster self-esteem, self-respect and respect for others
- Demonstrate the high standards of personal and social behaviour we expect of our pupils
- Discuss bullying with all classes through the PSHE programme, so that every pupil learns about the damage it causes and the importance of reporting any cases to a teacher
- Listen to children who feel they have been bullied and act to support and protect them
- Report suspected cases to Mrs Fleming
- Follow up on any complaint by a parent about bullying
- Deal with observed instances of bullying promptly and effectively.

### The Responsibilities of Pupils

We expect our pupils to:

- Refrain from becoming involved in any kind of bullying, both in school and through the means of social media
- Report to any member of staff any witnessed or suspected instances of bullying
- Remember that being a bystander is not acceptable

Anyone who becomes the target of bullies should:

- *Tell a teacher or another trusted adult immediately so that support can be put in place quickly*

### The Responsibilities of Parents

We ask our parents to support their children and the school by:

- Watching for signs of distress or unusual behaviour in their children, which may or may not be due to bullying but should always be raised with staff
- Advising their child to report any cases of bullying, whether witnessed or experienced, to their form teacher or the relevant pastoral head:  
**Mrs Revill (Kindergarten), Mrs Littlefield (Juniors), Miss Raynard (U3 and L4 Seniors), Mrs Morgan (U4 Seniors), Ms Hobbs (L5 and U5 Seniors)**
- Advising their child not to retaliate violently to any forms of bullying
- Monitoring their child's use of technology
- Co-operate with the school to help us ascertain the truth and ensure appropriate support can be given, whether to the child being bullied or the child perpetrating the bullying.

## PREVENTATIVE MEASURES

The school will endeavour to prevent bullying through the following measures:

- Work in PSHE lessons and assemblies
- Providing suitable supervision of pupils when on the school site
- Obtaining the views of pupils through the school council
- Awareness raising programmes such as Anti-Bullying Week
- Ensuring that we are a listening school where pupils can easily report any issues.
- Responding quickly and effectively to any reports of bullying.

## **PROCEDURES FOR DEALING WITH INCIDENTS OF BULLYING BEHAVIOUR**

- Mrs Fleming will oversee all reported incidents of bullying to ensure consistency
- In the event of a concern being raised the form tutor and relevant pastoral head will investigate the incident by talking to any pupils involved, including any witnesses. Detailed records will be kept of the investigation.
- Parents of those involved will be informed
- In the case of suspected Cyberbullying school staff may request a pupil reveal a message or show them other content on their phone for the purpose of establishing if bullying has occurred. A refusal to comply might lead to a disciplinary sanction for failure to follow a reasonable instruction. Where the text or image is visible on the phone, staff can act on this
- If bullying has been found to have taken place sanctions will be issued. These will reflect the severity and frequency of the incident. The sanctions used are:
  - Lunchtime detention
  - Afterschool detention
  - Being placed on report
  - Internal temporary exclusion
  - External temporary exclusion
  - Permanent exclusion

These are **not** a hierarchy of sanctions. Bullying is taken very seriously and the sanction will be determined based on the nature of the bullying, the response of the bully and the impact on the victim.

- If needed, outside support may be requested from relevant agencies, including social care and the police, particularly in the case of Cyberbullying in which the school will take advice from CEOP (Child Online Safety and Protection agency).

## **CONTINUOUS PROFESSIONAL DEVELOPMENT OF STAFF**

- Mrs Fleming and Pastoral Heads will undertake training from specialist agencies, e.g. the Anti-Bullying Alliance
- All staff will receive training through the INSET programme.

## **SAFEGUARDING**

- A bullying incident is treated as a safeguarding issue where there is a reasonable cause to suspect that the child is suffering or likely to suffer significant harm. In such cases the school will follow normal safeguarding procedures and report concerns to the local authority social care department.

## **MONITORING AND REVIEW**

The policy will be reviewed annually, and feedback will be sought from staff. Procedures will be reviewed on a half-termly basis through meetings with the Headteacher, the Deputy Headteacher and pastoral team.
