

Addition to our Behaviour Management Policy due to COVID 19

June 2020

During this period, there will be a number of new “rules” that pupils will be expected to follow, and they will be given clear information about new procedures.

Pupils will be asked to follow new procedures in relation to:

- Children need to follow any altered routines for arrival, leaving from school and moving around during the school day.
- Children must follow the school’s rules on handwashing and using sanitiser, including the use of toilets. They must meet the ‘catch it, bin it, kill it’ expectations.
- Children must not share equipment and other items.
- Children should follow adult instructions on who they can socialise with in class, at breaktimes and lunchtimes and where they can play.
- Children must not share food or drink with others.
- Children must follow the school’s rules and expectations to keep them safe both when in school and when working online when using remote learning.
- Children should avoid touching their mouth, nose and eyes with hands
- Children must tell an adult if they are experiencing symptoms of coronavirus
- Children must follow staff instructions about expectations about breaks or play times, including where children may or may not play.
- Children must not cough or spit at or towards any other person

Above all, all children should demonstrate their usual respectful behaviour towards each other and adults. They should try their best to ensure the health and safety of others by following the teacher’s instructions to avoid unnecessary contact.

Our expectations of behaviour will remain high. It is particularly important that children listen and follow instructions – it is dangerous not to do so.

The school will apply strict sanctions up to and including a fixed-term exclusion to any pupils who wilfully refuse to adhere to arrangements of social distancing and deliberately cough or spit at pupils or staff, putting them at risk. This will be explained to children on their return and reminded through the class conduct.
