Out of School Trip Policy

Date:	July 2021
Those Responsible:	Mr A Angeli - Headteacher Ms A Fleming - Deputy Headteacher Mr J Summers - Health & Safety Officer
To be reviewed:	Regularly

Out of School Trip Policy

This policy has been developed to ensure that all out of school trips are safe and purposeful and that all relevant details are on file should it become necessary for Senior Management to know about some aspect of the trip.

All out of school trips will follow the same procedure from start to finish. Please pick up and fill out a **Trip Tick-List** as you move through the steps.

1. A **Form for the Head Teacher** must be completed and submitted to Andrew Angeli. A completed form will include your signature confirming that you have checked with Amy Fleming and found no conflict. It is also recommended you speak to the office and to either Lesley Hyland (for the senior school), Jo Littlefield (for the junior school) or Sandra Revill (for the Kindergarten).
2. The trip is then booked.
3. The appropriate health and safety form, either the **Day Trip or the Residential Trip** form, is then filled out.
4. If a coach is necessary, the **Coach Request Form** is filled out. **All coaches MUST be booked through Joanne Osen.**
5. All forms, including the **Tick-List**, a trip itinerary and a student list, should be submitted to Jeff Summers, who will check it and pass it to Joanne Osen.
6. Complete a Risk Assessment form

You should get the go-ahead within a few days of submitting everything. Obviously this procedure takes longer than the system it replaces, so teachers need to be more organised and plan sooner.

NOTE: Any non-staff adult that accompanies your trip **MUST** be DBS checked. Parents can be DBS checked for a fee through the school. This may take some time so again allow for this in your planning. **IT IS YOUR RESPONSIBILITY AS THE TRIP ORGANISER TO MAKE SURE ALL ACCOMPANYING ADULTS ARE DBS CHECKED.**
